31 October 2016

Dear Parents,

You may have noticed the new, pink book shelves at the end of the library. These are stocked with individual levelled books that your child can take home to read because at Stamshaw, we recognise that learning to read is one of the most important skills your child will ever learn.

Each week your child will be bringing home a levelled reading book and a homework task. Please return this on the day stated on the reading diary to allow homework to be updated regularly.

Each week your child's homework is returned, the class teacher will put a sticker by your child's name as a reward for completing their homework. Once they reach 25, a reading medal will be awarded. This happens in the Summer Term.

Included with their homework pack and book will be some further information to help your child with their reading at home. These will be sent home to you after the half term.

We also have a new Parents Display Board which you can find in the library with lots of hints and tips on how to help your child complete their homework and encourage them to read.

Yours sincerely,

Mrs S Aitken & Mrs L Mitchell  
Literacy Leaders
