

Welcome back!

In 2020 our school had to close because of the
Coronavirus.

Children have stayed at home with their families.
Now the Government and scientists say it is safer
and children can go back to school.

Some things will be different, some will be the same.
We will have new rules to keep us safe.

We will wash our hands more frequently, remembering to sing the 'Happy Birthday' song twice when...

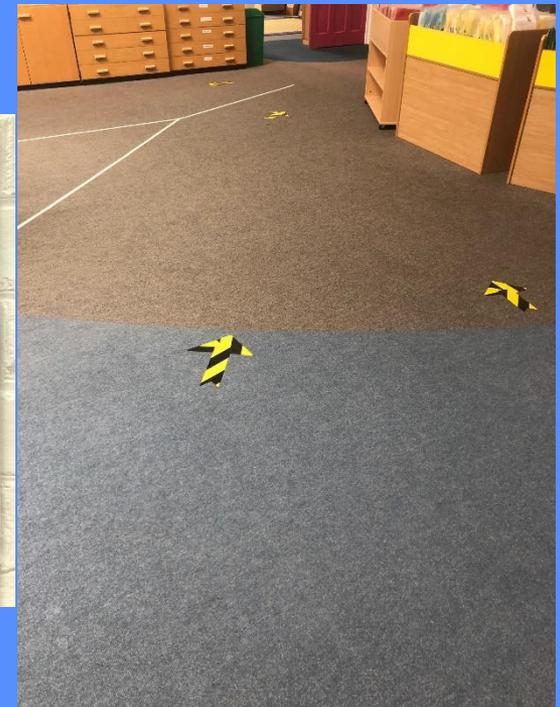

- arriving
- at playtime
- at lunchtime
- between sessions
- sneezing
- coughing
- leaving

When I come to school, I will enter through the same gates.
I will enter through my 'bubbles' designated entrance and will meet my bubble teacher at the classroom door.
My adult will leave through a different gate.
I may not be in my old classroom.
I will quickly say goodbye to my adult.

I will follow the arrows in the corridors.
I will stay in my own 'bubble'.
If I get confused a grown up will help me.

I will still be with some friends from my class and a teacher or teaching assistant from my class.
I may not be in my own classroom.
My classroom will look a little different.
I will talk and laugh with my friends but I must keep my hands to myself and keep a safe distance.

I will put my jacket and jumper on a peg.

If I am in Early Years, the equipment I need will be on my table.

If I am in Year 1, I will have my own tray with an exercise book, pens and pencils and anything else I need.

Although we usually like to share, at this time, these things will just be for me.

I do not need to bring in anything extra from home, including my book bag.

I do not need to wear my school uniform.

My outdoor environment will look a little different too.
I will stay in my coloured 'zone'.

Children in my class will have their own area of the playground to use.

The play equipment will be out of use but we will have lots of fun making new games.

I will bring my own packed lunch to school in a lunch box and put it on the trolley in the classroom.

At lunchtime, I will eat my lunch in the classroom and then a grown up will take me outside.

I will still be able to use the toilet as usual.
I must ask an adult when I need to use one and I
must make sure I wash my hands afterwards.

We are all so excited to see you all soon!
