

Wednesday 8th July 2020

Dear Parents,

I hope you and your families are continuing to stay well. As you will know, the Government announced last week that it is the intention for all children in Primary Schools to return to full time education from September. We are certainly very pleased to be able to welcome back all year groups to ensure our young children are able to receive a high quality of education to enable them to thrive and progress alongside their friends. We will continue to ensure that all protective measures are in place to minimise the risks associated with Covid-19. We will of course communicate these measures to you over the next few weeks to ensure that you have continued confidence in the procedures and routines in school and I will write to you again, confirming start times, lunch arrangements and of course our return to school arrangements.

Transition to new Year groups:

This year we have made the decision to move the children to their next teacher as a whole class. This will ensure that friendships that were established at the start of the year can be resumed and the children will return in September with lots of familiar faces!

Early Years to Year 1

Kingfisher Class moving to Hummingbird Class with Miss Palmer
Woodpecker Class moving to Toucan Class with Miss Bingley and Miss Beare
Goldfinch Class moving to Flamingo Class with Mrs Aitken and Mrs Steward

Year 1 to Year 2

Flamingo Class moving to Penguin Class with Miss Payne
Toucan Class moving to Peacock Class with Mrs Spicer and Mrs Malyon

Your child's new class teacher will write to you over the next two weeks introducing themselves. They will also record a welcome message which will be posted onto our website soon so that you can put a face to a name.

To ensure appropriate transition arrangements are in place, the last day of school for **all** children will be **Friday 17th July.**

I will write to you again before we break for the end of term and will be able to confirm further arrangements for the Autumn Term as they are released from the Government. In the meantime, please continue to access the website on stamshawinfant.co.uk for all the latest news and information. Thank you once again for your continued support.

With very best wishes,

Mrs J Cooper
Headteacher
