

Dear parents & carers of year 2

09 June 2020

On behalf of all the staff, children and the University of Chichester Academy Trust, I would like to say thank you for choosing Stamshaw Junior School as your school of choice.

You have made a great choice, although I am very bias!

Many of you may be aware that I was appointed as the Headteacher in September 2019 and I quickly built upon the strengths of the school but also made a number of positive substantial changes which included a values led approach.

In these unprecedented times it is unfortunate that we will not be able to offer transition days at this point however I will be sending out a short video introducing some of our key members of staff including your child's teacher. Many of you did take the opportunity to meet us at our open day and fun day, for the children, which I hope was useful.

As we are growing from two classes to three classes in year 3 for September, I am currently recruiting a third teacher who will likely be part on the year 3 team. Once I have recruited, I will be in the position to let you know who your teacher will be for September.

As the vast majority of children are transitioning from Stamshaw Infant School, we do work in close partnership with Mrs Cooper, the Headteacher of Stamshaw Infant School, and her team to ensure that all the children receive the finest quality of teaching and learning that your children deserve.

I will also be in contact with leaders from other schools who are joining us.

In the meantime, do please take a look at our [website](#) as well as our [Facebook Page](#) & [Twitter Page](#)

I will be in contact again soon.

Yours sincerely

Mr Rob Jones
