

EYFS - Understanding the world (Science) and Expressive Art and Design

Home learning Project

This term we have been learning about Spring time and how flowers grow!

We hope your sunflowers are growing well! We would love to see photos of you and your sunflower plants! Are they taller than you yet?

To remind yourselves of the signs of Spring, watch this program called 'Down on the Farm':

<https://www.bbc.co.uk/iplayer/episode/b0798mIn/down-on-the-farm-series-2-1-lambs-and-sowing-the-seeds>

Challenges:

1. Making a list: You will need paper and a pen... Using this program to help you, can you write a list of 6 signs of spring?
2. Spring hunt: You will need 6 small pieces of paper and colouring pencils... On each piece of paper draw a sign of spring (Use your list to help you!)... Ask your grown up to hide the pieces of paper around the house or garden! It is your job to go on the spring hunt collecting your drawings from where they were hiding!
3. Make an Art Attack flower: You will need small coloured toys, camera, paper, pens... Using your small, different coloured toys (lego, cars, characters) recreate a flower (Art Attack style) on the floor of the living room. Don't forget the shapes you will need to create for the flower, stem, leaf and roots! Can you make labels for each part of your flower? Using your grown up's phone take a photo of your flower with labels and send it to us! We would love to see them.

Its Easter soon! At Easter time we get to see lots of baby animals! Watch this episode of Hey Duggie:

<https://www.bbc.co.uk/iplayer/episode/b05zhhq0/hey-duggee-series-1-35-the-egg-badger>

Challenge:

I wonder if many chicks are as cheeky as the ones in this program! For your art project, make a chick. You might fancy making a rocking chick, a painted chick or a picture using coloured pencils. If you google image 'chick craft' you will get lots more ideas as to how you can create your very own chick! We would love to see your lovely chicks so please upload them when you have finished!
