Dear Parents and Carers

We are pleased to be able to share with you the successes of our new phonics scheme: Little Wandle Letters and Sounds revised. The children are enjoying their phonics lessons and are making excellent progress in their reading.

Ebooks

In school, your child applies their phonics learning by reading a fully decodable book. We are pleased to announce that we have now signed up to our publisher's Ebook platform so that you can access your child's class reading book, digitally, at home. (The login details are attached to this letter.) We know the children will be thrilled to read their class book to you and by reading it a number of times at home over the week, we hope they will continue to grow in confidence and fluency.

Sharing books

To help foster a love of reading, the children will continue to bring home 'non decodable' books to share and enjoy with you at home. This could be a library book, picture book or a colour banded book. Your child might not be able to read this book independently so we call these 'Share with me' books. Please record these books in your 'reading record' alongside your ebooks, as current class/whole school reading rewards will continue.

Thank you for your continued support and please do not hesitate to make contact if you have any questions.

Yours sincerely,

Mrs A Spicer

Leader of English
