Spotlight on Stamshaw!

Dear Parents,

Welcome back! We hope you all enjoyed the holiday!

To start this half term we will be learning about Guy Fawkes and the history behind why we have fireworks night. We will then develop our geography skills learning about Portsmouth and the surrounding area. We will explore Portsmouth's famous landmarks, famous people, scenery, architecture and many other attractions. We will also find out about the traditional food, dances, music and local customs of the other countries within the United Kingdom!

The children will receive a letter from Barnaby Bear and we will look forward to seeing their replies with any information they have found out about our city. Their homework will be added to our display of Portsmouth.

To celebrate the end of our topic we will go on an exciting trip to the Spinnaker Tower!

Please continue to support your child with their morning activities in their classrooms, as they are usually linked to work they are doing in class.
Thank you.

Homework Children have really been enjoying their Guided Reading in class and we thank you for your continued support helping your child with their weekly comprehension homework. Don't forget, they are working towards a special reading medal!

We will also be starting spelling practice homework with a spelling test happening on a Friday! The spellings are words related to recently taught phonics, spelling patterns, topic words, tricky words or common exception words.

Year One Library Dates

We visit the library on a Friday morning from 9:20-10:30.

2/11/18 – Toucan

9/11/18 – Hummingbird

16/11/18 – Flamingo

23/11/18- Toucan

30/11/18 – Hummingbird

7/12/18- Flamingo

Can you help??

We are always looking for parent helpers to help on our trips to North End library. Sadly we are unable to go without your support.

We are also always looking for helpers to hear readers in class. If you are free and would like to help out please let your child's class teacher know!

PE Days

Please ensure that your child has a named PE kit in school, including tracksuit bottoms/leggings and trainers/plimsolls as one of our PE sessions will be outside.

Flamingo – Monday and Wednesday

Toucan – Thursday and Friday

Hummingbirds – Tuesday and Thursday

Dates for your diary!

21/12/18- Break up for Christmas holiday.

7/1/18- Return to school.

If you have any queries or questions then please do not hesitate to come and speak to us!

Thank you for your continued support
The Year One Team

Our Topic is: Barnaby Bear's UK Travels

Mathematics:

In Maths we will be aiming to make clear the link between 'one more' and 'add', and 'one less' and 'take away'. We will play games where children jump forwards and backwards on large number tracks, using the words more and less, addition and subtraction. We will be exploring number sentences that make a given number and learning to solve number stories.

Religious Education:

We will be exploring the Christmas story and the journeys the characters had to make.

Computing: 'We are celebrating' This half term we will be making celebration cards using various computer programs to help us. We will be logging onto the computer all by ourselves and learning to save our works of art into our very own class file.

History

We will be learning all about Firework's and why we celebrate Bonfire Night on the 5th November. We will be writing about Guy Fawkes and his friends.

Physical Education

In Games we will be developing our throwing and catching skills.
In PE we will be learning about dance. We will be learning some traditional dances from the UK such as Irish Dancing and Morris Dancing.

English: We will be researching into Portsmouth and writing to Barnaby Bear in reply to his letter. We will create posters and fact files about Portsmouth, with cross curricular links to Geography. After researching the wonders of Portsmouth, we will invite Barnaby to come and meet us at the Spinnaker Tower. Punctuation will be a focus, capital letters for people, places, days of the week and 'I', full stops, question marks and exclamation marks. We will be using story maps again to help us to write longer pieces of writing.

Geography:

We will use world maps, globes, atlases and other information books to name, locate and identify characteristics of the countries and capital cities of the United Kingdom and its surrounding seas.

Art & Design:

In art we will be exploring the work of Jackson Pollock and recreating his technique when creating our own firework pictures.

Music:

We will be listening to a range of traditional music from around the UK and learning the traditional songs including the 'National Anthem' Mrs Lane will continue to teach us Music! We will be learning to sing our Nativity songs!
