

Storm the Castle!

Dear Parents,

What a great first week we have had! The children are settling well into their new classes and are eager for the topics that we are undertaking this half term. We will be learning all about Castles and we will even have the opportunity to visit a real life castle! Our topic will end with a fun Knighting Ceremony where we will be demonstrating our knowledge about life in medieval times.

Arundel Castle trip

We will be visiting Arundel Castle on **Wednesday 5th October**. A letter will follow shortly with all the relevant details.

Reading Record

Your child has brought home their reading record. Please read with your child and record the book you have shared. For every 5 stamps they will receive a stamp. Any more reading that you do together can be just for fun, you only need to record one book a day. Your child can change their book each day to bring home and enjoy with you.

If you have any queries or questions then please do not hesitate to speak to us at the end of each day.

**Thank you for your continued support
Year Two Team**

Seesaw

Please make sure that you have logged into your child's Seesaw account. Here you will find the latest newsletters, dates for our library visits, weekly news blasts, other reminders as well as photos and videos of your child's work and successes.

You are also able to send in things that your child has been doing at home that they may wish to share with the class, for example, photos of visits to castles, models or drawings that they have made. Future news letters will be on Seesaw only, so please log in.

PE

We are very lucky this half term to have a gymnastic coach in to teach us. We will also hopefully have the chance to send a team to a gymnastic competition, where previous year's teams have been very successful in winning trophies and medals. Please ensure that your child has a PE kit in school, with no earrings in on the following days;

Penguin – Monday and Thursday
Puffin – Tuesday and Friday
Peacock – Monday and Friday
